Mr. William McRae,
136 Dixon St.,
Laurinburg, N. C.

Dear Sir:

I was very sorry not to be able to see you on my trip through to the South. I do hope we will be able to work out something in order that the next time I come through Laurinburg we will be able to stop and play a game.

In the meantime I am writing to ask you about the contents of one of your letters to me in which you said you had some good pitchers. I am very badly in need of pitchers at this time. If you have any one who you think will make the grade, I will be glad to take care of you for sending him to me.

I will appreciate hearing from you right away, as I said before I am very badly in need of pitchers.

Very truly yours,
